Dear Parents and Carers,

I am writing to reassure you that the day-to-day challenges we face as a school community continue to be addressed carefully and consistently in line with the policies and guidance of Flintshire County Council and the Welsh Government. Our priority remains the wellbeing, safety, and education of every child in our care, and we ensure that all pupils are treated with the utmost respect, kindness, and professionalism at all times.

The staff currently in school are working tirelessly to maintain stability within the school environment while continuing to raise standards for all learners. Their dedication and commitment to the children and families of our school community is greatly appreciated.

Communication with parents and carers is extremely important to us. We aim to keep you informed through Seesaw wherever possible, and if needed we will follow up with a phone call to ensure messages are clear and supportive. In addition, parents' evenings will be held before the end of term, providing a valuable opportunity to discuss your child's progress and any questions you may have.

As always, we also look forward to coming together for positive community events. Staff, parents, and pupils are all excited for the upcoming Easter Bingo, which we hope will be a lovely opportunity for everyone to enjoy time together.

We are aware that some children may find the transition from home to school challenging. This is something many schools have noticed more frequently in recent years, particularly since the Covid pandemic. It can be very difficult for both parents and teachers to see a child struggling in this way, and we approach these situations with care, patience, and understanding. To support pupils, we provide quiet corners and transition "pit stops" within classrooms for those who need a moment to settle. These strategies have been working well and help many children feel more comfortable and ready to learn.

Transport to and from school has continued to experience occasional difficulties. Please be assured that the school remains in close contact with the bus company and relevant services to help ensure the safety and wellbeing of all pupils who travel by bus.

We value the partnership between school and home, and we thank you for your continued support, understanding, and cooperation. By working together, we can provide a stable, caring, and positive environment in which all children can thrive.

Kind regards,

Mrs GA Closs-Griffiths.
